Listening to the Views and Aspirations of Older People in relation to Housing

Cardiff Council and The Vale of Glamorgan Council would like to hear the views of people aged 50 years and over living in these areas. The Councils want to make sure the right housing and support is available in the future for older people who need it and for those who want or need to move.

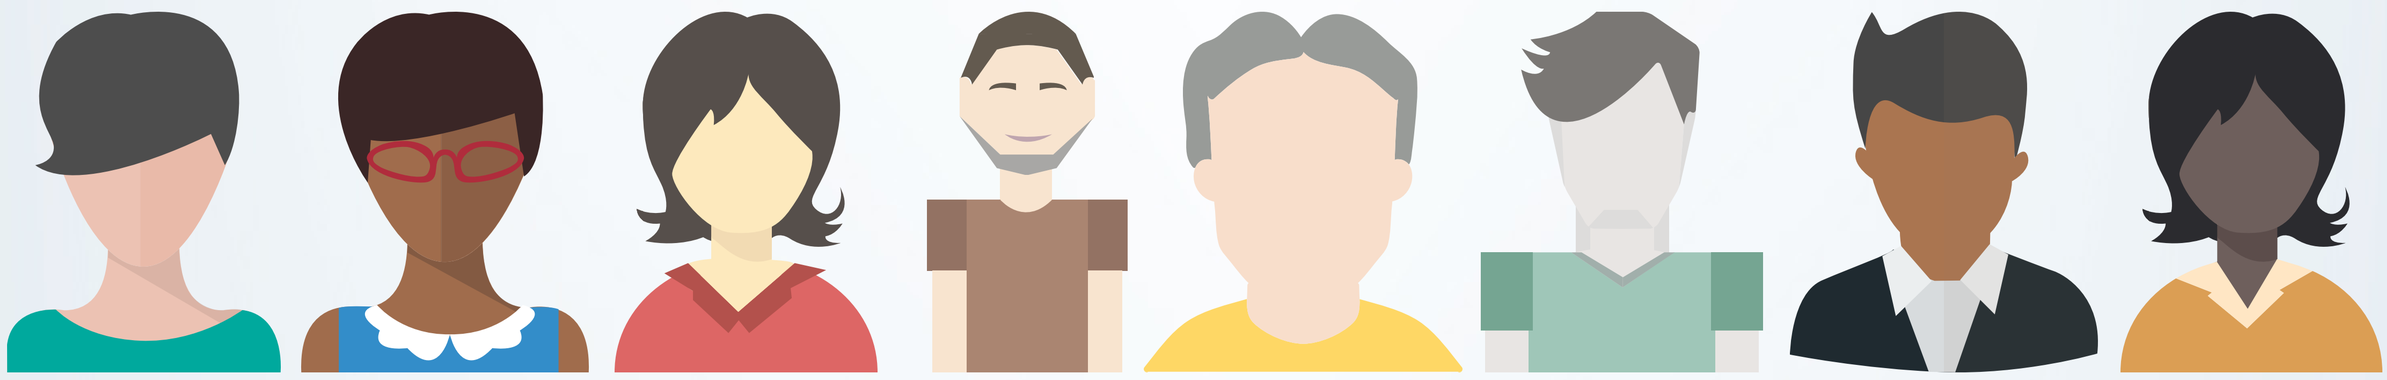
We would like to invite you to take part in a **focus group** to discuss topics covering your views about:

If you were considering a move, what factors would matter to you most?

What type of housing do you think people need as they age?

What other associated facilities and services are important?

What types of care and support options are important to older people?



There are up to 12 places at this focus group meeting and it will run for 1 ½ hours and be held at **2.00pm - 3.30pm** on **Thursday 1st March 2018** at:
Central Library Hub, The Hayes, Cardiff CF10 1FL

Why attend?

- Have your voice heard and learn something new!
- Tea, coffee and biscuits will be provided
- We will give a £10 shopping voucher as a modest 'thank you' to participants
- We will reimburse any reasonable travel expenses

The focus groups will be facilitated by Ian Copeman, Jenny Pannell and Lois Beech from the Housing Learning and Improvement Network, independent researchers with an interest in older people's housing.

If you would like to take part in this project or have any questions, please don't hesitate to contact Lois via email loisbeech@housinglin.org.uk or phone **07860 608 920**.
