C3SC Annual Events 2026

Introduction

Cardiff Third Sector Council (C3SC) exists to support and develop community action and volunteering in Cardiff, and to provide a collective voice for the voluntary and community sector in Wales' capital city. We represent over 1,400 members, from small grassroots groups to large national organisations, all working to improve lives across the city.

As part of our commitment to partnership, collaboration and celebrating impact, C3SC delivers a programme of annual large-scale events that bring together charities, volunteers, community groups, public bodies and funders to connect, learn and address shared challenges facing Cardiff's communities.

For 2026–27, sponsors can get involved in C3SC Annual Events through one of two high-profile event options, each with a range of sponsorship tiers to suit different levels of investment and engagement:

Our annual events include:

- **The Cardiff Community Gathering** (July 2026) – a new city-wide engagement event marking the Month of Community focused on collaboration, learning and addressing local priorities.
- **The Cardiff Volunteer Awards** (November 2026) – our well-established annual celebration of the exceptional contributions of volunteers, community groups and voluntary organisations across Cardiff, hosting over 200 delegates.

Both events offer invaluable opportunities to demonstrate your organisation's commitment to communities and volunteering, while benefiting from C3SC's extensive reach. Sponsorship benefits include logo placement, bespoke multimedia promotion, panel or presentation roles, and on-the-day visibility, alongside exposure through C3SC's channels reaching **16,000+ monthly website views, 14,000+ social media followers, and 250,000+ media impressions**. If you would like to support communities and volunteers in Cardiff — and benefit from the wide-ranging publicity and engagement opportunities C3SC provides - we are pleased to present the C3SC Annual Events sponsorship packages. **Opportunities are limited — contact us now to secure your sponsorship.**

‘We engaged with individuals who weren't previously aware of our services, which shows how important this event is.’ - 2025 Event Sponsor
