

Visual Supports in the Early Years Workshop

Hosted by **ND Community Connectors CIC**
Delivered by **Kath Drave, Speech & Language Therapist** from **Sensory Smart Child Therapies**

This workshop will explore how visual supports can be used to:

- Reduce anxiety
- Enhance understanding
- Support communication in everyday situations

Parents will learn about a range of visual strategies including objects of reference & visual cues, and how these can help children understand routines, expectations, and transitions more effectively.

 **Location:** ASDA Cardiff Bay, Ferry Road, Cardiff, CF11 OJR

 **Date:** Tuesday, 29th September 2026

 **Time:** 10:00am - 11:30am
